

Academic Year 2018
 Application Information: Master's Program
 School of Health Sciences and Nursing,
 Graduate School of Medicine, The University of Tokyo

This leaflet supplements the information given in the **2018 Application Guide: Master's Program, Graduate School of Medicine, The University of Tokyo**. Therefore, applicants should refer to both documents. While this leaflet provides information specifically pertaining to the School of Health Sciences and Nursing, the *Application Guide* covers issues applicable to all of the Master's programs in the Graduate School of Medicine.

You should refer to the Application Guide for the following information:

Eligibility criteria (section 1), general schedule for the entrance examinations (section 4), submission of application documents (section 6), announcement of results, and admission procedures (section 5).

Additional miscellaneous notes are provided in section 8.

1. Enrollment Number, Content of Examination and Date of Examination

| Department | Expected Capacity | Contents of Written Examination | | Written Examination | Announcement of result of written examination | Oral Examination |
|--|-------------------|---------------------------------|--|------------------------|--|---------------------------|
| | | Language | Specialized Subject | | | |
| Advanced Clinical Nursing Nursing Administration Gerontological, Home Care, and Long-term Care Nursing (GHLN) Palliative Care Nursing Family Nursing Community Health Nursing Public Health Nursing Psychiatric Nursing Gerontological Nursing Wound Care Management Midwifery and Women's Health Life Support Technology Advanced Nursing Technology Skincare Science Imaging Nursing Science Radiation Health Sciences Speech-language Health Dental Health | 25 | English | Following two questions: (1) General health science (2) One question from desired research field | Monday, 21 August 2017 | 6:00 p.m., Tuesday, 22 August 2017 Information regarding those who pass the written examination will be posted on the board in front of our main building (<i>Igakubu Honkan</i>) at the time and date written above. | Wednesday, 23 August 2017 |

Notes:

- (1) Depending on the results of the examinations, the number of students admitted may not reach the expected capacity.
- (2) An oral examination will be given to those who pass the written examination.
- (3) Each applicant will be notified later by postal mail about the time and place of the examination.
- (4) Programs in Public Health Nursing / Midwifery have been provided since the 2014 academic year. Programs in Public Health Nursing / Midwifery are open to only those who have a Japanese nurses' license. For details, see the Japanese version of the 'Admissions Information' document.
- (5) Before submitting any application, anyone planning to apply must discuss their plans with faculty member (a professor or an associate professor) in the Department to which that person plans to apply (see 3. "List of Research Supervisors" below).

2. Application

- (1) All applications must be sent by postal mail.

Your application and required documents must be enclosed in our specified envelope and sent by registered mail.

- (2) Application period

Your application must reach us during the period from Thursday 29 June 2017 through Friday 7 July 2017.

*Envelopes must be postmarked no later than Friday 7 July 2017 and must arrive on or before Tuesday 11 July 2017.

- (3) Send your application to:

Igakukei Kenkyu-ka Daigakuin Kakari
Administrative Office
Graduate School of Medicine
The University of Tokyo
7-3-1 Hongo, Bunkyo-ku, Tokyo 113-0033, Japan
Phone: 03-5841-3309 (Igakukei Kenkyu-ka Daigakuin Kakari)

- (4) Application documents (asterisk [*] indicates that a specified form must be used)

| Document | Who should submit | Description |
|---|-------------------|--|
| A* Application Form (See below 'Points to Note when Preparing the Admission Application Form') | All applicants | Attach three identical passport photos taken within three months of the application date to the space provided on the: 1) Application Form; 2) Photo ID Card; and 3) Exam Card (<i>jukenhyo</i> ; 受験票). |
| B* Self-addressed envelopes | All applicants | Submit three self-addressed envelopes and affix ¥362 worth of postage stamps to the envelope marked 'Exam Card Enclosed' (<i>jukenhyo zaichu</i> ; 受験票在中). |

| | | |
|--|--|--|
| <p>C* Exam fee (¥30,000)</p> | <p>All applicants (except students from outside Japan who have a <i>Monbukagakusho</i> scholarship)</p> <p>* Scholarship students currently enrolled at a different university must submit their official scholarship certificate.</p> | <p>The exam fee must be paid at a bank branch or convenience store, or by credit card. The applicant is responsible for any fees or charges associated with the payment.</p> <p>Bank transfer: Fill out the designated Transfer Request Form and submit it together with the exam fee at your nearest bank branch. The payment cannot be made at a Japan Post Bank (<i>Yucho Ginko</i>), post office, ATM, or via the Internet. The bank will give you a Transfer Receipt (<i>'Furikomikin Uketorisho'</i>; Form B) which you should retain for your own records, and the Certificate of Transfer Receipt (<i>'Furikomikin Uketsuke Shomeisho'</i>; Form C) which you should attach to the space provided on the rear of the Application Form.</p> <p>Convenience store & credit card payments: Refer to the attachment 'How to Pay the Graduate School of Medicine Exam Fee at a Convenience Store or by Credit Card' for details on how to make the payment.</p> |
| <p>D Academic transcripts</p> | <p>All applicants [not required for graduates (or expected graduates) of the University of Tokyo's Faculty of Medicine]</p> | <p>Must certify faculty results (including transcripts of general education courses); original certificates only.</p> <p>Those who transferred from a junior college or vocational school etc. must also submit a transcript from the school where the academic credits required for the said transfer were obtained.</p> |
| <p>E Certificate of graduation</p> | <p>All applicants who have already graduated at the time of application [not required for graduates of the</p> | <p>In the case of students graduating from universities outside Japan, the degree acquired must be indicated. Photocopies are not acceptable.</p> <p>Submit a certificate of the degree conferred,</p> |

| | | |
|-----|--|--|
| | University of Tokyo's Faculty of Medicine] | created by the National Institution for Academic Degrees or the National Institution for Academic Degrees and University Evaluation. |
| F | Statement of Reasons for Desired Course | Required only for applicants to the Program(s) in Public Health Nursing / Midwifery (See the `Admissions Guide' Japanese version.) |
| G * | Certificate of Japanese language ability | Non-Japanese applicants only (not required for those who have graduated or are expected to graduate from a Japanese university) The certificate must be issued by a Japanese-language instructor or equivalent person who is able to objectively assess your Japanese language ability. Alternatively, a certificate issued by a Japanese language school is also acceptable. |

Points to Note when Preparing the Admission Application Form (Master's Program)

| | Section | Examples, points to note etc. |
|--------------------------|---|--|
| Application Form (front) | Department of your choice Field of your choice Professor of your choice | Check the document ' 3. List of Research Supervisors ' before filling in this column. |
| | Curriculum Vitae | The CV should not contain pre-university details (if you transferred to university from a junior college, etc. write the details of the college on the bottom line of the CV section). Applicants who have completed studies outside Japan should fill in the 'Formal education outside Japan' section. |
| | Employment history | If you cannot write your employment history in the space provided, write 'see attachment' and attach an A4 page outlining your entire work history. This section should include details of full-time positions only. |
| Application Form (back) | Email | Please make sure that you provide your email address or mobile phone number so that we can contact you in the event of any problems with your application documents. |

| | | |
|---|---|--|
| | Emergency contact | If this is the same as the 'Current address', place a tick (✓) in the box beside 'Same as current address'. |
| | Student ID/ Researcher ID/ Staff Number | This section should only be filled out by University of Tokyo students and faculty members. |
| | Health checkup | This section should only be filled out by University of Tokyo students and faculty members. |
| Photo Card | Department of your choice | Check ' 3. List of Research Supervisors ' before filling in this column. |
| | Field of your choice | |
| Exam Card | Professor of your choice | |
| | Name | The name appearing on the Photo Card II (which doubles as the backing for the Student ID card) will be used when preparing your Student ID if you are admitted, so please print legibly. |
| | Backing paper for attaching Form C | Remove the adhesive seal and attach Form C (Certificate of Transfer Receipt; 振込金受付証明書). |
| Certificate of Japanese language ability (non-Japanese students only) | | Non-Japanese students who have taken the '日本語検定試験' (Japanese Language Examination) may instead submit a copy of their test certificate. |
| Title on envelope | | When including a title beside the applicant's name appearing on the envelope, you should write '様'. Do not write '行' or '宛'. |

Other important information

- Applications submitted after the application period (that is, applications postmarked after Friday, 7 July 2017) will not be accepted under any circumstances.

Therefore, please request any necessary school certificates etc. at the earliest possible date. If the certificate(s) are not issued in time, you must contact the Graduate Student Affairs Section in advance (Tel: 03-5841-3309).

- Details of the entrance examination schedule will be provided in the 'Examinee Guidelines' posted together with the Examination Card.

The examination times will be the same as in previous years, as listed below.

However, the times may be subject to change so check your copy of the 'Examinee Guidelines'.

- Foreign language: 9:30 - 11:30 a.m.
- Specialized subject: 1:00 - 3:00 p.m.

3. List of Research Supervisors

○Department and faculty

- (1) Students will be instructed by a faculty member (a professor or an associate professor) of the Department into which they are accepted..
- (2) Persons planning to apply must contact that faculty member before applying.
- (3) The names and research areas of possible supervisors each major field of study are shown below. Faculty members due to retire at the end of this academic year may not be available to teach.
- (4) Abbreviations of department names are shown below.

CDBIM: Center for Disease Biology Integrative Medicine, ED: Endowed Department, IMSUT: Institute of Medical Science, SD: Social Cooperation Department, IRCME: International Research Center for Medical Education

| Department | Faculty | | Research Fields | Affiliation (Department) |
|--|---------------------|-------------------------------------|--|---------------------------------------|
| Nursing Administration | Associate Professor | Yukie Takemura | Nursing administration, leadership and management, organizational development, team building, diversity management, career development of nurses | Preventive and Administrative Nursing |
| Advanced Clinical Nursing | Associate Professor | Yukie Takemura (concurrent) | Functions and roles of nursing, nursing theory, nursing processes, clinical ethics, clinical judgment | Preventive and Administrative Nursing |
| Gerontological, Home Care, and Long-term Care Nursing (GHLN) | Professor | Noriko Yamamoto-Mitani | Gerontological nursing (homecare, long-term care), quality assurance of long-term care/homecare, care of persons w/ dementia and their families, community care system development | Clinical Nursing |
| Palliative Care Nursing | Professor | Noriko Yamamoto-Mitani (concurrent) | End-of-life care of older persons, practice-based nursing knowledge development | Clinical Nursing |
| Community Health Nursing | Professor | Noriko Yamamoto-Mitani (concurrent) | Community health care system, methodology for activities by public health nurses, public health activity for target population, discharge planning | Preventive and Administrative Nursing |
| Public Health Nursing | | | | |
| Family Nursing | Professor | Kiyoko Kamibeppu | Family nursing in general and child nursing in general, development of family assessment and family nursing-style approach, quality of life for families, long-term follow-up of pediatric cancer, prevention of abuse, gender and nursing | Preventive and Administrative Nursing |
| Psychiatric Nursing | Associate Professor | Yuki Miyamoto | Psychiatric nursing, home-visit nursing, social rehabilitation, recovery, occupational mental health nursing | Clinical Nursing |
| | Professor | Norito Kawakami (concurrent) | | |
| Gerontological Nursing | Professor | Hiromi Sanada | Gerontological nursing, nursing skills specific to the older population (malnutrition, deglutition disorders, incontinence), wound care management (pressure ulcer, lower extremity ulcer) | Clinical Nursing |
| Wound Care Management | | | | |
| Midwifery and Women's Health | Associate Professor | Megumi Haruna | Life and health during pregnancy and the puerperium, improvement of care at delivery based on physiological rationale, health issues concerning women's life cycles | Clinical Nursing |

| | | | | |
|--|---|------------------|--|-----------------------------|
| Radiation Health Sciences | Professor | Kiyoshi Miyagawa | Influence of radiation on the human body, hematology, oncology | CDBIM – Molecular Radiology |
| Speech-language Health | | | No applications accepted this year. | |
| Dental Health | | | No applications accepted this year. | |
| Life Support Technology | Project Professor | Taketoshi Mori | Nursing Engineering, Human Behavior Sensing, Behavior Probability Model, Interface Design | ED |
| Advanced Nursing Technology | Project Associate Professor | Ryoko Murayama | Nursing Technology, Activities of Daily Living Support, Management of infusion systems, Development of nursing devices | SD |
| Skincare Science | Project Associate Professor | Takeo Minematsu | Skin discomfort (pain, itching), skin barrier function, skin inflammation, skin assessment, skincare | SD |
| Imaging Nursing Science | Project Associate Professor | Koichi Yabunaka | Imaging nursing science, Technical nursing support with ultrasonographic technology, Nursing assessment with ultrasonographic technology | SD |
| Biomedical Ethics | As the School of Public Health (professional degree program) was established in academic year 2007, no applications for Master's Programs in the fields on the left will be received. | | | |
| Epidemiology and Preventive Health Science | | | | |
| Health Promotion Science | | | | |
| Social Gerontology | | | | |
| Health Sociology | | | | |
| Mental Health | | | | |
| Biostatistics | | | | |
| Health Informatics | | | | |

As of 2017 April

The contents may be updated. Please refer to our website <http://www.m.u-tokyo.ac.jp/daigakuin/apply/appguidemain.html> for the latest version.

4. How to Purchase Previous Graduate School of Medicine Examinations

Previous entrance examination questions for the Graduate School of Medicine can be obtained from the Tokyo Society of Medical Sciences (TSMS).

I. List, type, and cost of previous examination questions

II. How to purchase

① To purchase directly from the TSMS, see the TSMS map and business hours below.

② For delivery by postal mail, see 'How to fill out the Payment Transfer Form' below.

I. List of previous examination questions

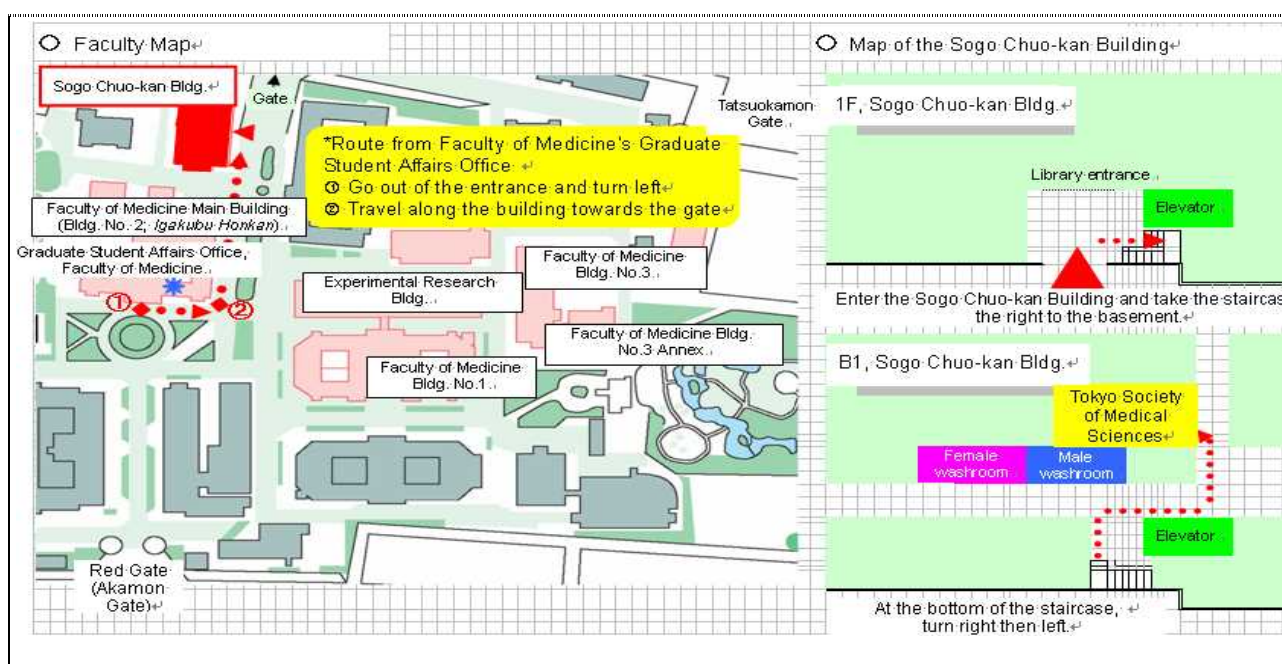

Graduate School of Medicine List of previous examination questions (no minimum purchase)

| Program or Course | Year of Admission | Price |
|--|-------------------|--------------|
| Doctor of Medicine | 2010 – 2017 | ¥1,000/ year |
| Doctor of Health Sciences & Nursing (examination in February) | 2009 –2016 | ¥300/ year |
| Doctor of Health Sciences & Nursing (examination in August) | 2010 – 2017 | ¥300/ year |
| Master of Medical Science | 2010 – 2017 | ¥300/ year |
| Master of Health Sciences & Nursing | 2010 – 2017 | ¥1,000/ year |
