

3) [Cover Example]

- No items other than the title and your name (for example, your major or your research supervisor) be listed.
- Do not shorten the title. And, please write “博士論文” at the top of front cover.
- If you use your maiden name as well, enclose it in parentheses after your current surname.

(*As described in the “Instructions for Preparing a Doctoral Dissertation”, please write the dissertation title, department, name of the research supervisor, and name of the applicant on a page other than the cover.)
