**About the Deadline**  
The materials will be accepted even after the deadline noted above (November 16, 2015) has passed, but it will increase the chances that you will not graduate on time this academic year. Be aware that submission later than January 14 will mean that it will not be possible for you to graduate on time this academic year.
Process of after the submission of the Application for Conferral of Degree

After submitting the Application for Conferral of Degree, please come to the Graduate Student Affairs Section within the period of the following list "Date of Notification of Examination Committee" after the submission. You will be informed of the names of the five dissertation examiners and the chief and deputy examiner, and the submitted copies of the "Dissertation (Temporary Binding)" and the "Abstract of Dissertation" as well as the "Form for Examining Committee Report" (and the copy of the “Supplementary Article”) will be returned to you.

After you take receipt of the submitted copies of the “Dissertation (Temporary Binding)” and the “Abstract of Dissertation” as well as the "Examination Result Report Form" (and the copy of the “Supplementary Article”), please submit a copy each of the “Dissertation (Temporary Binding),” the “Abstract of Dissertation,” and the "Examination Result Report Form" (and the “Supplementary Article”) to the chief examiner, and a copy each of the “Dissertation (Temporary Binding),” the “Abstract of Dissertation” (and the “Supplementary Article”) to the other four members of the examining committee. The date for the examining committee meeting will be adjusted by the chief examiner, so please follow the instructions you are given.

Candidates who have passed the dissertation examination and for whom the chief examiner has submitted the Examination Result Report Form to the Graduate Student Affairs Section will be informed via email of the materials they need to submit in the final procedures. Please note that if, after you have received the information that you have passed from the chief examiner, there has been no email, you should contact the Graduate Student Affairs Section.

After that, submit the necessary materials, including the pdf files of dissertation (full text) and Examining Committee Report (with the seals of the five examiners) **by noon on Monday, February 29 2016** to the Graduate Student Affairs Section.

If you are unable to submit the Examining Committee Report by the above deadline, you will not be able to graduate in March.
