

Announcement for those planning to take the entrance examination for the Master's Program in Medical Sciences

An online examination option will be offered for prospective applicants living outside Japan who are unable to take the examination in person because of pandemic-related border restrictions. Before applying, please be sure to check your communication environment, as described below. If you have already completed the application procedures, please perform this check by Wednesday, 30 June. Be sure to check the communication environment at the same place where you plan to take the examination.

1. Confirmation of communication environment

1-1) Enter your name, e-mail address, country, and state/province of residence at the URL below.

URL: <https://forms.office.com/r/tZA6EQDHGM>

1-2) After entering your information, a login ID and password will be automatically sent to the email address you provided. Please enter the login ID and password to log in to the following site to confirm your communication environment.

1-3) Select "Click here" according to the screen.

1-4) When the "Communication Status Confirmation" screen appears, click the "Measure" button. The measurement result will be displayed after about 30 seconds.

1-5) If the measurement result shows a "green" icon, the communication environment is acceptable. Please input the measurement result at the following URL.

URL: <https://forms.office.com/r/rpi50Exhdn>

1-6) If an icon other than "green" appears, the communication environment is unacceptable. Please check again after the communication environment has been adjusted. After that, when the "green" icon is displayed, enter the measurement result from the URL described in 1-5).

This completes the communication environment check.
