

## Cover Sample

- No items other than the title and your name (for example, your department, your supervisor) should be listed.
- Do not shorten the title. Please write “博士論文” at the top of front cover.
- Write your name in the way you have written on “Student Registration Form”. If you wish to describe your name in different way, please consult with Student Affairs Section before submitting the materials.

If you have changed your surname, you may enter your maiden name in parenthesis after your officially registered surname.

If you are using your maiden name and wish to enter your current surname, enter your current surname in parenthesis after your maiden name.

(\*As described in the “Instructions for Preparing a Doctoral Dissertation”, please write the dissertation title, department, name of the research supervisor, and name of the applicant on next page of this front cover.)
