Other: When you submit the Doctoral Dissertation Title Form, please recommend 7 examination committee members. When you recommend them, please refer to the List of Faculty Member Codes. You will be able to view the List of Faculty Member Codes at the Graduate Student Affairs Section or in each classroom.

- Talk with your research supervisor and nominate, in order of preference, a total of 7 persons for these positions.
 - You may nominate up to one person from your own division.
 - You may not nominate your co-researchers, research supervisor, faculty from your lab or department, or those related to you by marriage.
 - In order to ensure fairness of selection, you must nominate 7 members.
- The dissertation title will be used in the materials just as it was received, so make sure you have not made any mistakes.

The Requisite Degree Qualification Certification (Supplementary Thesis Examination Committee and Materials Examination Meeting) that was in use since 1999 was abolished as of the academic year 2009. After you submit the Title Form, please submit the set for the Application for Conferral of Degree by Wednesday 16, November.
